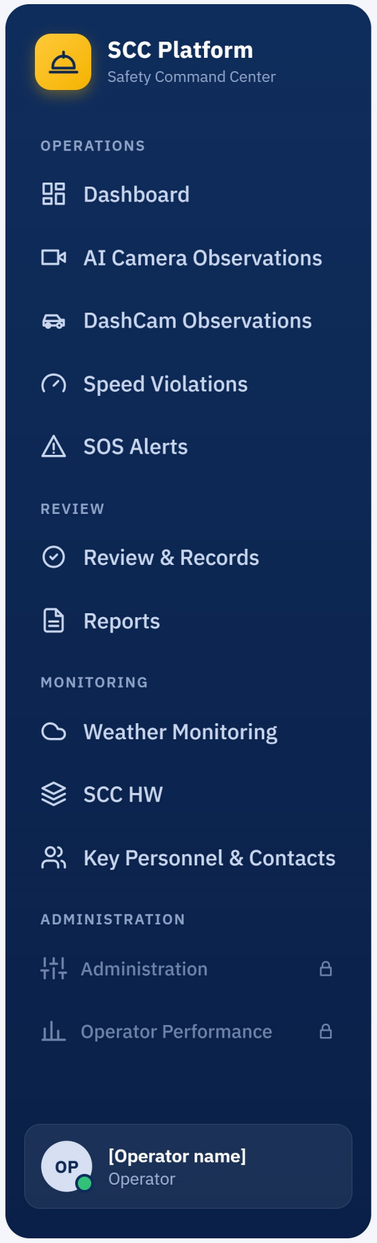
FOR THE DEVELOPMENT TEAM

Navigation menu by role

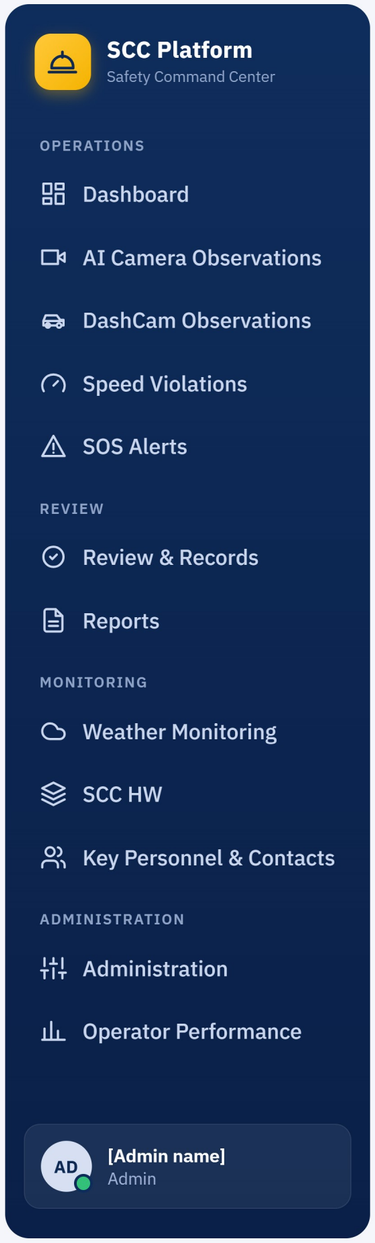
What each role sees in the left menu. Admin-only items appear locked for Operators.

OPERATOR MENU



Administration and Operator Performance are shown with a lock and cannot be opened.

ADMIN MENU



Administration and Operator Performance open normally.

Menu items by role

The menu is built from the signed-in user's role.

MENU ITEM	OPERATOR	ADMIN
Dashboard	Shown	Shown
AI Camera Observations	Shown	Shown
DashCam Observations	Shown	Shown
Speed Violations	Shown	Shown
SOS Alerts	Shown	Shown
Review & Records	Shown	Shown
Reports	Shown	Shown
Weather Monitoring	Shown	Shown
SCC HW	Shown (view only)	Shown
Key Personnel & Contacts	Shown (view only)	Shown
Administration	Shown, locked	Shown
Operator Performance	Shown, locked	Shown

Locked items are visible but cannot be opened. Operators see Administration and Operator Performance greyed out with a lock. Selecting them does nothing, and the server blocks their address with an access-denied message.

New DashCam Observation

Register a violation detected by a vehicle dashcam

* Fields marked with a red asterisk are required. Register stays disabled until every required field is completed.

5 of 14 completed

Project or Department

Select either a Project or a Department (one of the two)

Assign to * — Project | Department

Project * — Jafurah

Vehicle and driver

Vehicle Type * — Select vehicle type

Light: cars, pickups, vans. Heavy: trucks, buses, equipment.

Model * — Select model

Clarifies the vehicle type

Asset Number * — [Asset number]

Driver Name * — [Driver name]

Driver Badge Number * — [Badge number]

Rental driver — No | Yes

Iqama Number is required when Rental is Yes

Iqama Number (If Rental) — [Iqama number]

Evidence and reporting

Violation Picture *

Drop a file here or browse
Image of the violation

Reported By * — Select your name

Each Operator selects their own name

Alert details

Location Coordinates * — [Latitude, Longitude]

Date * — 10/14/2026

Week — 42

Calculated from the date

Time * — 10:30 AM

Violation Type * — Seat Belt

Risk Level * — Medium Risk

Alert Summary * — Select alert summary

Close-out

Available once the record is registered (status Open). Confirm Driver and the ITQAN upload are one step, done by the same person

ITQAN Upload Proof (image) *

Drop a file here or browse
Screenshot that shows the violation uploaded to ITQAN

Uploaded by * — Select your name

Can be a different person than the one who registered

Close-out Action — Filled automatically when the step is submitted

After the step it reads: The Violation has been uploaded in ITQAN

Confirm Driver & Submit

Record status

Status: Open

Set by the system. New records start as Open.

Case ID: Generated on save

What happens next

1. **Register** — Complete every required field and register. Status: Open.
2. **Confirm Driver & Submit** — When the driver is verified, attach the ITQAN proof, select who uploaded and submit. Status: Under Process.
3. **Review** — Admin approves (Closed) or rejects with a reason (back to Open).
